

First Aid Training

Fee Free!

Overview

Having first aid knowledge is not only invaluable for individuals, but it is invaluable for the community. Knowing how to provide effective first aid to those in your home, in the community or in the workplace is reassuring.

Not only is first aid training essential for everyday life events, it can be essential for various work roles. Many workplaces require their staff to hold a generalist first aid certificate and for many employers it is pre-requisite for employment.

This **fee-free** training program, subsidised by the NSW Government, will provide you with the knowledge and skills required to provide a first aid response to a casualty.

The course covers:

- anaphylaxis
- asthma
- CPR techniques on adults, children and infants
- incident reporting
- how to properly assess an emergency situation
- DRSABCD
- using an Automated External Defibrillator (AED)
- first aid procedures for bleeding, burns and fractures
- managing medical conditions such as epilepsy and asthma
- managing medical emergencies such as snake/spider bites, poisons and choking
- infection control procedures
- managing exposure to extreme temperatures
- administering first aid for eye & soft tissue injuries
- assessing and moving sick & injured
- legal responsibilities of a first aider
- basic anatomy
- managing shock
- and much, much more!

- Low skilled/unskilled employee: Existing employee, with or without relevant skills or previous qualification up to Certificate III, that requires training to upskill to secure ongoing employment or future employment
- Workers in declining industries: Workers at any company in an agreed declining industry (e.g. international travel industry) who require upskilling/reskilling for redeployment.

Entry Requirements

Basic numeracy and literacy skills are needed for this program.

Access to a computer or device with internet, as well as basic digital skills is required for completion of this unit.

You must be physically fit as completion of this unit requires the student to be able to get onto the floor to perform CPR – this is a licensing requirement of the unit.

If you have ANY special needs (eg, language / literacy / numeracy difficulties, physical disabilities etc) that you think may impact on your ability to complete this training please let us know prior to enrolling.

How will I be assessed?

Online assessments via the student Learner Portal will be used for this unit.

A smart phone or laptop fully charged with internet access is generally required. It is the student's responsibility to ensure they have such a device and have gained prior access to their Learner Portal. Information on accessing their portal is provided on confirmation of enrolment.

There is some theory and practical assessment to ensure that the participant has gained the required knowledge and confidence in the skills covered in the unit. You will be required, as per the Training Package, to complete 2 minutes of CPR on a CPR manikin. Participants will also be required to demonstrate various practical skills including for example the application of slings and bandages.

How can I enrol?

To register your interest please call ET Australia on 4323 1233 or email email@etaustralia.com

All students will need to obtain a Unique Student Identifier (USI) before enrolment. For more information visit <http://www.usi.gov.au/Pages/default.aspx> or speak with an ET Australia representative.
