## **Welcome to Online Learning**

Dear Parents/Carers

We offer our appreciation to all parents/carers for their support for and understanding of the progressive changes to the operation of schools due to the Coronavirus – COVID-19 outbreak. ET Australia Secondary College staff have developed different methods for Multi Modal Teaching and Learning including online platforms and work-booklets. Modern technology provides ETASC staff and students an online platform to connect and communicate together about their learning. This booklet is your guide to online learning at ETASC.

### **What will online learning at home look like day to day?**

#### **Years 7 to 10**

Just like at school, there is a timetable provided for students. This will outline the learning structure for each day of the week and students can complete each lesson at home. The day will begin with a check-in Zoom call at 9:00am for Stage 4 and 9:10am for Stage 5.

Every “learning at home” day will be broken up into four lessons per day. Please see the timetable below. During period four there will also be teachers online for students to talk to and receive help with any of their work.

Examples of what the online learning timetable is for each year group is on the following pages.

The live KLA zoom lessons are highlighted in yellow on the suggested timetable. Live Zoom meetings maybe be recorded and uploaded onto Google Classroom for those students who cannot make the live session.

## Suggested Timetable

### Year 7 – Orange

Lessons in **Yellow** are delivered live on Zoom for the whole class with their teacher.

SDW – Student directed work.

Additional assistance with classwork – students can book in with their teacher if they need assistance – please email the KLA teacher to be allocated a time.

Time/ Duration of lesson	Monday	Tuesday	Wednesday	Thursday	Friday	
9.00 -9.30am	Students check in with Brooke. Once students have checked in, they can start on lesson 1. They can start their work whilst they wait to talk to Brooke.					
9:30- 10:00am	<b>Lesson 1 Duration 30 mins</b>	Review work for the day/ Catch up	Review work for the day/ Catch up	Review work for the day/ Catch up	Review work for the day/ Catch up	Catch up/ Fun day
10:00 -10:30am	Take a break – make sure you have something to snack on, stretch and rest your eyes.					
10:30-11:30am	<b>Lesson 2 Duration 60 mins</b>	Art SDW	Science SDW	English SDW	PDHPE SDW	Catch up/ Fun day
11:30-12:30pm	<b>Lesson 3 Duration 60 mins</b>	<b>Maths (Live class with Darcy – Zoom in)</b>	<b>HSIE (Live class with Morven – Zoom in)</b>	<b>Science (Live class with Darcy – Zoom in)</b>	<b>English (Live class with Morven – Zoom in)</b>	Catch up/ Fun day

11:10-11:40am	Take a break – make sure you have something to snack on, stretch and rest your eyes.					
11:40-11:55am	Your choice: exercise/ colouring/ reading					
11:55-12:55pm	<b>Lesson 3</b> Duration 60 mins	<b>English</b> <b>(Live class with Alahna– Zoom in)</b>	<b>Maths</b> <b>(Live class with Angus – Zoom in)</b>	<b>HSIE</b> <b>(Live class with Katie L – Zoom in)</b>	<b>PDHPE</b> <b>(Live class with Katie N – Zoom in)</b>	Catch up/ Fun day
12:55-1:25pm	Take a break – make sure you have something to snack on, stretch and rest your eyes.					
1:25-2:25pm	<b>Lesson 4</b> Duration 60 mins	HSIE SDW	Science SDW	Maths SDW	Finalise work – Submit for the week	Catch up/ Fun day
2:25-3:25pm	<b>After school</b> Duration 60 mins		<b>Numeracy Tutoring</b> <b>(Live class with Alyshia – Zoom in)</b>		<b>Numeracy Tutoring</b> <b>(Live class with Sophie – Zoom in)</b>	

## Year 10 Green

Lessons in **Yellow** are delivered live on Zoom for the whole class with their teacher.

SDW – Student directed work.

Additional assistance with classwork – students can book in with their teacher if they need assistance – please email the KLA teacher to be allocated a time.

Time/ Duration of lesson	Monday	Tuesday	Wednesday	Thursday	Friday	
9:10- 10:10am	Students check in with Jas, Kim and Ayshia. Once students have checked in, they can start on lesson 1. They can start their work whilst they wait to talk to Jas or Kim or Alyshia.					
9:10- 10:10am	<b>Lesson 1</b> Duration 60 mins	Science SDW	English SDW	Maths SDW	SWYM SDW	Catch up/ Fun day
10:10-11:10am	<b>Lesson 2</b> Duration 60 mins	<b>Maths</b> (Live class with Angus – Zoom in)	Science SDW	English SDW	HSIE SDW	Catch up/ Fun day
11:10-11:40am	Take a break – make sure you have something to snack on, stretch and rest your eyes.					
11:40-11:55am	Your choice: exercise/ colouring/ reading					
11:55-12:55pm	<b>Lesson 3</b> Duration 60 mins	<b>Science</b> (Live class with Jas – Zoom in)	<b>English</b> (Live class with Katie L – Zoom in)	<b>HSIE</b> (Live class with Alahna – Zoom in)	<b>PDHPE</b> (Live class with Katie N – Zoom in)	Catch up/ Fun day
12:55-1:25pm	Take a break – make sure you have something to snack on, stretch and rest your eyes.					
1:25-2:25pm	<b>Lesson 4</b> Duration 60 mins	HSIE SDW	PDHPE SDW	Maths SDW	Finalise work – Submit for the week	Catch up/ Fun day
2:30-3:30pm	<b>After school</b> Duration 60 mins		<b>Literacy Tutoring</b> (Live class Alyshia – Zoom in)		<b>Numeracy Tutoring</b> (Live class with Sophie – Zoom in)	

## Year 11

Students will continue to follow their school timetable to provide structure to their learning routine at home.

- Students are expected to **check into each lesson** via a zoom call.
  - The zoom link can be found in each Google Classroom subject.
- The roll will be marked for each lesson during the Zoom call.
- Each lesson will be uploaded onto Google Classroom.
  - All students are already enrolled in their classes.
  - The teacher will either run a lesson explaining the content on google classroom or
  - will allow students to work independently on tasks and be available in the zoom call to answer questions.
- Between 3:00pm and 4:00pm staff will continue to be available for assistance via a zoom call. A link to these classes will be made available in Google Classroom.

## Office Hours

School Office and Reception

Weekdays: **8:30am to 5.00pm**

## Availability

Teachers will be available to answer any questions and assist students between the hours of **9:00am and 3:00pm** Monday to Friday via email and Google Classroom live chat.

Between **1.30pm and 2.30pm** a teacher per year group will be available Monday to Friday for face to face conversation via Zoom with students.

## **Pastoral Support – Teacher on Duty**

The Teacher on Duty (TOD), Brooke Gordon is available from **9:00am to 3:00pm** by phone on 4323 1233, email [Brooke.Gordon@etaustralia.com](mailto:Brooke.Gordon@etaustralia.com) and Zoom to students who are needing support with their schoolwork or school related needs.

### **Online Platforms**

- Google Classroom
- Zoom
- Stile
- Education Perfect
- ClickView
- Quizlet
- Prodigy
- Duolingo

### **Students' Online Behaviour Expectations**

- High standards of behaviour and work ethic from all students.
- During all online Zoom sessions, students must mute their microphones.
- Students should dress appropriately, as they would in school.
- Students will be directed by the Teacher/TA to turn on their microphones for discussions/answers etc on Zoom.
- Students are expected to engage fully and participate in all sessions.
- Students must not have conversations/discussions with other students during the Zoom sessions unless directed to do so by the Teacher/TA.
- Students must not copy/screenshot/record any images, videos or content on Google Classroom, Zoom, or any online platform facilitated by ETASC.
- Inappropriate behaviour will be dealt with as per school rules – Going, Going, Gone – TOD.

- If escalated to Gone, students will be removed from the Zoom session and the TOD/AP will speak to the student.
- Students will be invited to re-join the Zoom session once spoken to.
- Any repeated bad behaviour or infractions will again be reported to the TOD/AP and be dealt with as per the school rules.
- The TOD/AP will monitor all online sessions.

## **Student Check-In – Attendance**

### **Years 7 to 10 Students**

Students are required to log into a Zoom meeting every morning, Monday to Friday. The teacher will ask students to notify them of what subjects they worked on the previous day. ***Note: Students are not required to remain on the Zoom meeting for the whole allocated time period.***

- Stage 4: between **9:00am to 9.30am**
- Stage 5: between **9.10 to 9.30am**

Students will be able to gain access to the Zoom meeting by logging into their Google Classroom account and selecting the attendance class. Students have already been assigned to the correct class.

If a student does not log in at that time, they will be marked on the school roll as an unexplained absence. Parents/Carers will receive notification of the absence, and it will require an explanation. If a student is sick and cannot complete any work on a certain day, the parents/carers will need to call and notify the school on 4323 1233.

### **Year 11 Students**

The requirements for Year 11 students are different to Years 7 to 10 students and details are provided below.

- Students are required to check into each lesson via a Zoom meeting

- The Zoom meeting links will be provided to students via Google Classroom
- The roll will be marked for **each lesson** during the Zoom meeting.
- This will ensure students can continue to follow the school timetable, providing structure to their day and the ability to engage with face to face teaching and learning activities from home.

## **Literacy and Numeracy Tutoring**

We will still be offering tutoring sessions on Tuesday and Thursday. These tutoring sessions are an opportunity for students to build on their basic numeracy and literacy skills.

We ask that students please give a week's notice if they will be attending the session. They can do this by emailing the teacher directly. Once the teacher has been notified, the student can be added into the Literacy or Numeracy Tutoring Google Classroom. This is where they will access the information to participate in the tutoring sessions.

- Literacy Tutoring will be run by Alyshia on Tuesdays at **2:30pm to 3:30pm**. Please email [Alyshia.Boettcher@etaustralia.com](mailto:Alyshia.Boettcher@etaustralia.com) if you wish to attend.
- Numeracy Tutoring will be run by Sophie on Thursdays at **2:30pm to 3:30pm**. Please email [Sophie.Gamble@etaustralia.com](mailto:Sophie.Gamble@etaustralia.com) if you wish to attend.

## **Year 11 Afterschool Study Sessions**

Year 11 students will still have access to afterschool study sessions between 3:00pm and 4:00pm with staff via Zoom meetings. Staff will post links to these sessions on Google Classroom for the students to access. A roster has been provided in the timetables provided on page 7 and page 8.

## Logging into your Student Email

1. Go to [www.office.com](http://www.office.com)
2. Sign in. Your email follows this format:

e.g. [firstname.lastname@student.etaustralia.com](mailto:firstname.lastname@student.etaustralia.com)  
[john.smith@student.etaustralia.com](mailto:john.smith@student.etaustralia.com)

The screenshot shows the Microsoft sign-in interface. At the top left is the Microsoft logo. Below it, the text "Sign in" is displayed in bold. A text input field contains the email address "first.last@student.etaustralia.com". Below the input field are two links: "Can't access your account?" and "Sign in with a security key ?". At the bottom, there are two buttons: a grey "Back" button and a blue "Next" button.

3. Enter your password. Your password follows the format:

Etasc**789!**

You would have been given **3 unique numbers** for your password. If you can't remember your password, contact ETASC's reception on 4323 1233. Brittney, Kallie and Kaylene will be able to provide you with your login details.

The screenshot shows the OneCloud "Enter password" page. At the top left is the OneCloud logo with the text "IT SOLUTIONS" below it. Below the logo, the text "Enter password" is displayed in bold. A text input field contains a series of dots representing a password. Below the input field are two links: "Forgot my password" and "Sign in with another account". At the bottom right, there is a blue "Sign in" button.

# Google Classroom Student Guide

## What is Google Classroom?

Google Classroom is the main portal for all students to access their online learning. It is a digital safe space where students can sign in on any computer or mobile device to access everything they need, from daily course material, assignments and correspondence with their peers and teacher.

## How do students access Google Classroom?

### Login

- If you are logging in on a computer, go to [classroom.google.com](https://classroom.google.com).
- If you are logging in on an iPad or iPhone, download the Apple version of the app, available for free from the App store.

- If you are logging in on an Android phone or tablet, download the Android version of the app, available for free from Google Play.

1. You will arrive at the login page. Use your school email and password to login. **Note: Check that you are logged in as you and not a different user.**

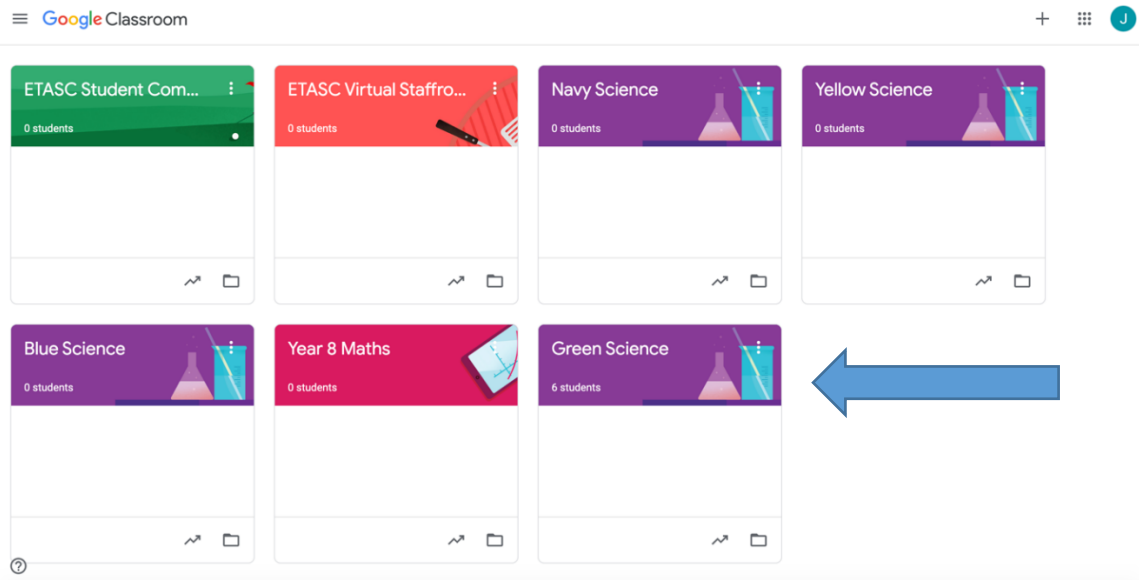

- If you have forgotten your email and password, contact ETASC's reception on 4323 1233. Brittney, Kallie and Kaylene will be able to provide you with your login details.
- If you cannot contact the school, go to [classroom.google.com](https://classroom.google.com) and click 'forgot email' or 'forgot password'.

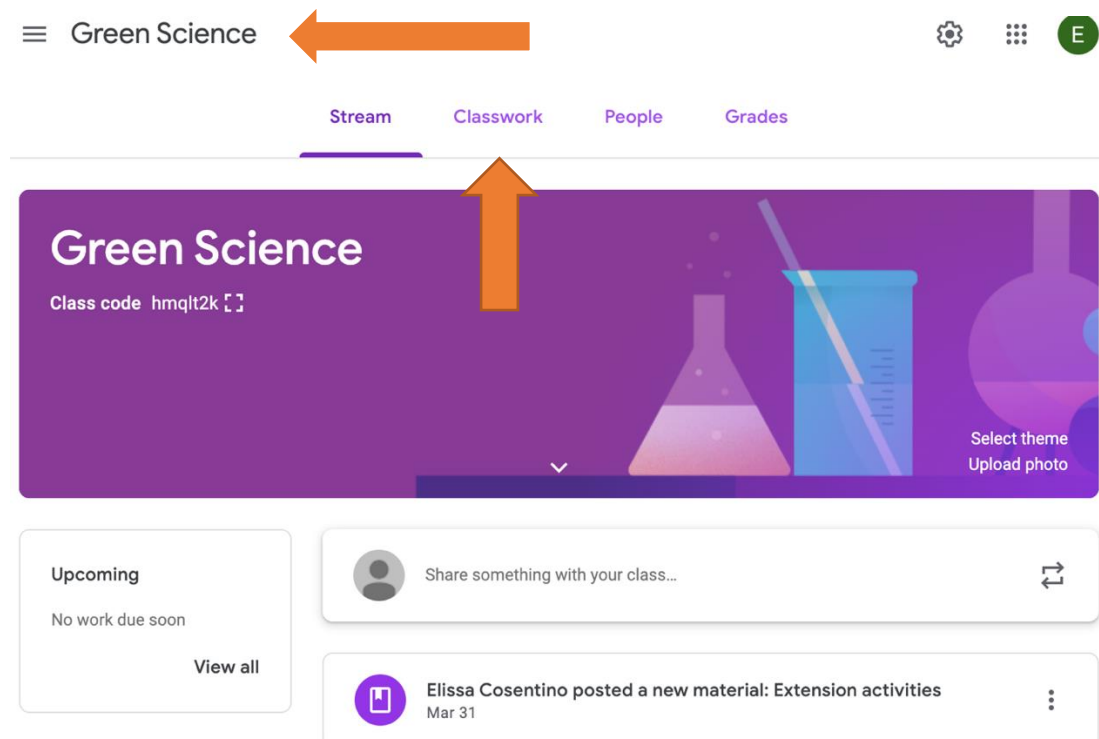

- If this doesn't work, contact your teacher via email. **Note: if you change your password, you must let the school know so we have a record for future reference.**

## Using Google Classroom

1. You will receive an email inviting you to join a class. Please click on the link and follow the prompts. This is where you can access all of your subjects. You will already be assigned to the correct classes.

2. Click on the subject you wish to work on. It will take you to this page.

- To access work, click on the 'classwork' tab. You will be directed to this page.

4. Click on the activities for more detailed instructions on what to complete.

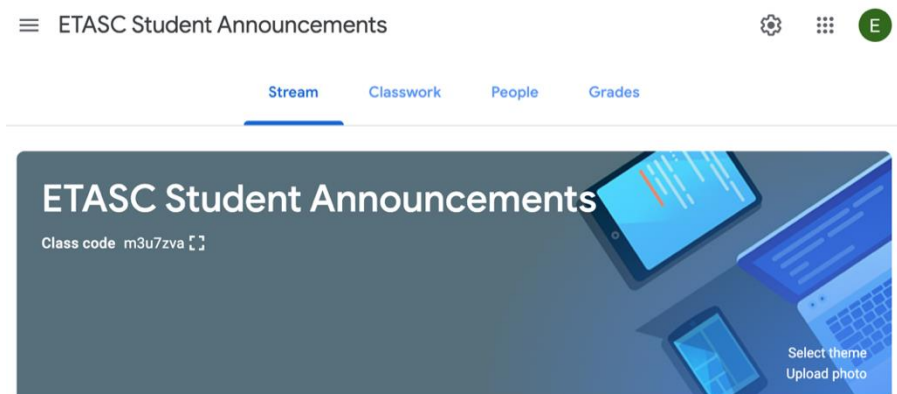

## Other Features of Google Classroom

### **Stream**

- This is a forum where you may ask questions and receive answers about any work that has been assigned.

### **ETASC Student Announcements**

- This is the classroom where you will receive important information and whole school announcements, much the same as attending assemblies.
- You will **not** be able to post or comment in this Google Classroom.

## **Zoom Student Guide**

### **What is Zoom?**

Zoom is a web-based video conferencing tool which will allow students and teachers to engage in face to face communication.

### **What will Zoom be used for?**

- Students may schedule a face to face meeting with their teacher to consolidate their learning, ask questions and receive feedback.
- Some lessons will be live for students to participate in real time. These lessons may be recorded and uploaded to Google Classroom for students who are unable to attend.
- Literacy and Numeracy tutoring will be available through Zoom.
- All Zoom meetings are recorded, and lessons will be uploaded to Google Classroom to allow access to students that miss the live meeting.
- Student cameras and microphones will be disabled at the start of the meeting. Teachers will be able to activate/deactivate cameras and microphones during the meeting.

## How do students access Zoom?

### Using Zoom

1. You do not need a login for zoom. You can access a direct Zoom meeting link via Google Classroom.

**Week 1** ⋮

---

 Demo STILE - embedding zoom and clickview Edited 9:28 AM

 Please access ZOOM call at 12.30pm on Thu... Edited 7:45 AM

<https://zoom.us/j/700665585> 

[View material](#)

2. To access the Zoom meetings, you need to click on that link at the scheduled time and it will take you to the conference with your assigned teacher.
  - If you are logging in on an iPad or iPhone, download the Apple version of the app, available for free from the App Store.
  - If you are logging in on an Android phone or tablet, download the Android version of the app, available for free from Google Play.

### ZOOM Cloud Meetings

Meet Happy

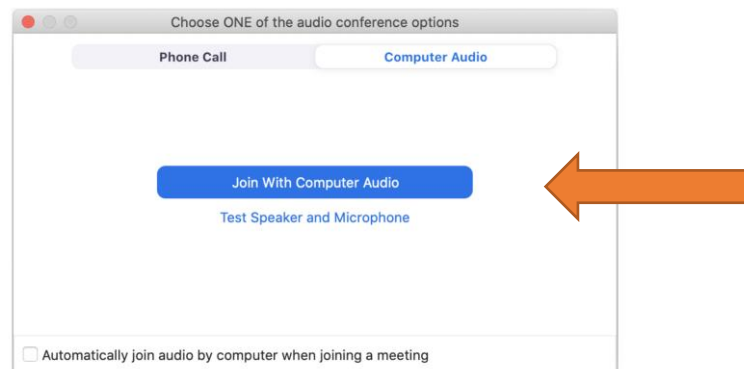

Zoom

#1 in Business

★★★★★ 4.6, 338.7K Ratings

Free

3. When you click on the Zoom meeting link this window will open in an internet browser.

- Click the 'Join with Computer Audio'. **Note: ticking the box at the bottom will remove this option for future meetings.**
  - You will be asked to wait in a waiting room and the teacher will grant you access when they are ready.
4. If you want to ask a question during the meeting you have 3 options:
- a. Type your question into 'Chat'

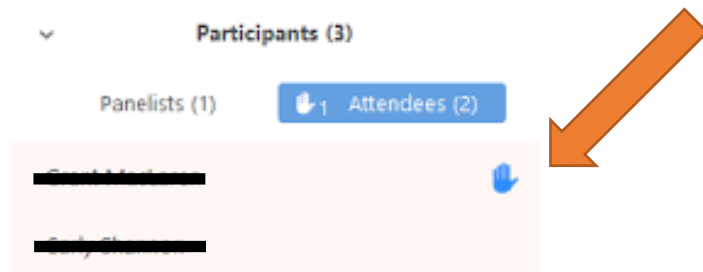

- Click the Chat icon, a window will appear. You can type questions in here.

**b. Raise your 'hand'**

- Click on the 'participants' tab and then the 'blue hand'. This will alert the teacher that you have a question.

**c. Unmute the microphone and speak**

- To activate video and audio click the icons at the bottom left.

5. When the teacher indicates the Zoom meeting has finished, click 'Leave Meeting' at the bottom left corner of the screen.

**Things to note**

- Students should be mindful of their backgrounds when using Zoom, what can be seen behind and around you via the camera and the background noise.
- Students should dress appropriately, as they would in school.
- Behaviour on Zoom will be managed in the same way as it would in the classroom. Teachers will use Going, Going, Gone and refer the student to the Teacher on Duty (TOD) or the Assistant Principal (AP).

- Students that demonstrate unwanted behaviour on Zoom will be asked by the teacher to stop the behaviour in the first instance. If it continues the teacher will mute the student. If the unwanted behaviour continues, the student will be asked to leave the meeting and a referral will be made to the TOD or the AP.
- Zoom lessons will be recorded and uploaded onto Google Classroom for later viewing.
- Zoom is available as an application for download on iOS and Android so students can access it on their devices. If they have the app downloaded, the student will have the option to join the meeting via the app.

# Stile Student Guide

## What is Stile?

Stile is an interactive lesson platform that teachers use to provide their content. There will be a direct link to Stile on Google Classroom.

## Using Stile

1. Your subjects will appear on your Home page.

The screenshot shows the home page of ET Australia Secondary College. At the top, there is a banner with the school's name and a 'Due Dates' button. Below the banner, the 'My Subjects' section lists 'Green Science' and 'Navy Science'. An orange arrow points to 'Green Science'. Below the subjects, there are links for 'I have a class code' and 'View archived subjects'. To the right, the 'Due Dates' section shows a calendar view with entries for 'Today', 'Tomorrow', 'Later This Week', and 'Later'. The 'Later' section includes two entries: 'What is a pure substance?' due on 25 Jun and 'Starter' due on 25 Apr.

- When you click on a subject you will see the lessons that your teacher has released to you.

The screenshot shows the 'Heat' lesson page. At the top, there is a navigation bar with a dropdown menu for 'Newton's Laws of Motion' and a dropdown menu for 'Heat'. An orange arrow points to the 'Heat' dropdown. Below the navigation bar, there is a paragraph of text: 'Cooking the perfect pizza at home is nearly impossible. It turns out home ovens can't provide the most important ingredient - the right balance of heat! But what exactly is heat and how is it transferred from one object to another?'. Below the text, there is a list of lessons: 'Introduction', 'What do you already know?', '1.1 Lesson: What is heat?', '2.1 Lesson: Conduction', and '2.2 Investigation: Which material is the best insulator?'. An orange arrow points to the '1.1 Lesson: What is heat?' link.

- Click on the name of the lesson and you will be able to complete the activities.

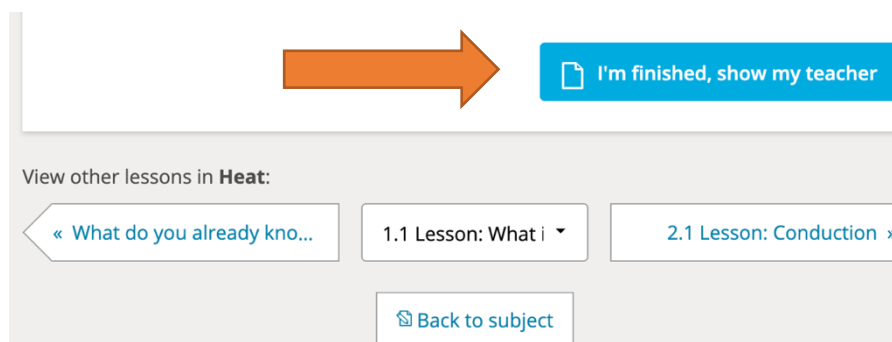

The screenshot shows a lesson page with the following elements:

- Header:** "1.1 Lesson: What is heat?"
- Section:** "Your learning goals..."
- Goals:**
  1. Define heat
  2. Explain what thermal energy is using the particle model
- Illustration:** A cartoon character with a volcano on its head.
- Avatar:** A man's head in a green circle.
- Text:** "Heat isn't just important for cooking our food. It also keeps us warm and helps living things to grow. But what is it exactly?"
- Speaker icon:** A small icon of a speaker.
- Section:** "Heat and thermal energy"
- Text:** "Heat plays a central role in our lives. Like other living things, we depend on heat from the Sun to keep us alive. But we also use heat to cook our food and heat our homes. The clothes we wear keep us warm during winter and a swim can cool us down on a hot summer day."

- You do not need to save your work in Stile. Your work is saved automatically, and your teacher can view it at any time.
2. To help you improve, you will receive feedback after you have submitted each task. You will receive a notification that will take you to that feedback.

The navigation bar features three links: "Home", "Notifications", and "Support". An orange arrow points from "Home" to "Notifications". A globe icon is located to the right of "Support". Below the navigation bar is a blue banner with the text "Green Science".

3. Once you finish a lesson, click 'I'm finished, show my teacher'.

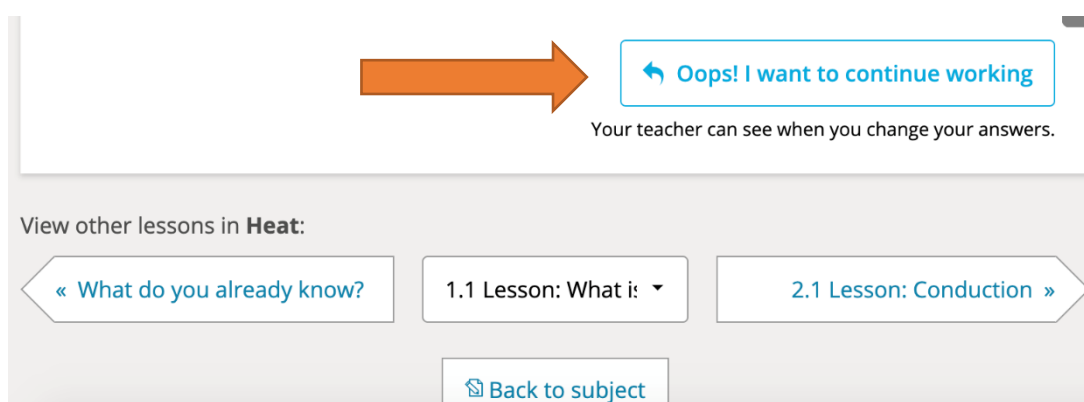

### ***Un-submit work***

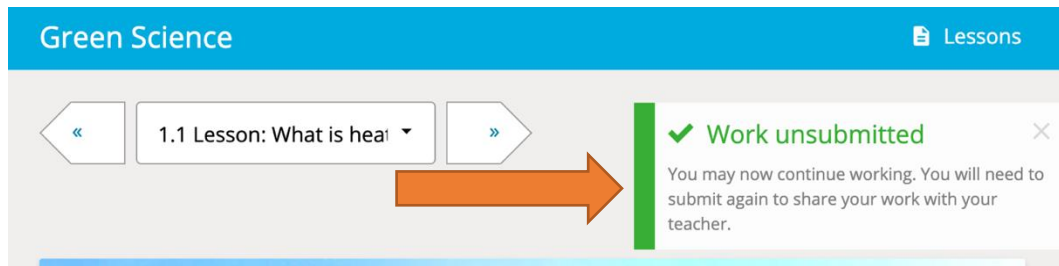

1. When you submit your work by clicking on the 'I'm finished, show my teacher', you will see a notification pop-up.

2. You can un-submit your work if you want to keep working on your answers and then submit again. Scroll down to the bottom of the worksheet and click 'Oops! I want to continue working'

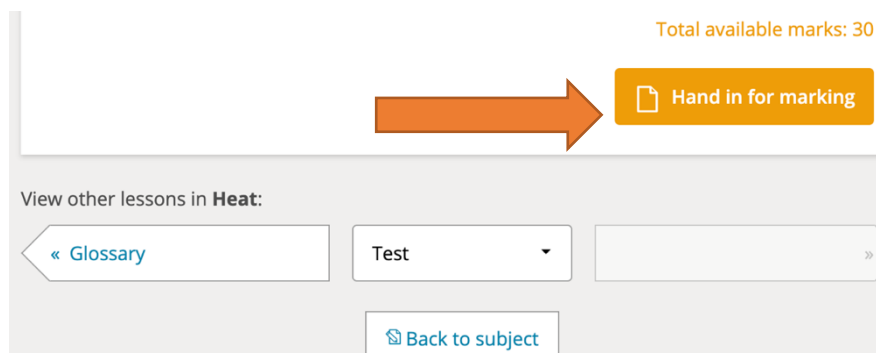

3. You will see another notification pop-up, showing you have unsubmitted your work. Don't forget to re-submit once you finish your work.

4. There are 3 situations where you cannot un-submit your work.
  - a. The lesson is an assessment

Instead of seeing a 'I'm finished, show my teacher' button, you will see a 'Hand in for marking' button.

- b. The lesson is past the due date

If you haven't submitted your lesson by the due date your teacher will still be able to access and mark the questions you have completed.

- c. The teacher collects the work.

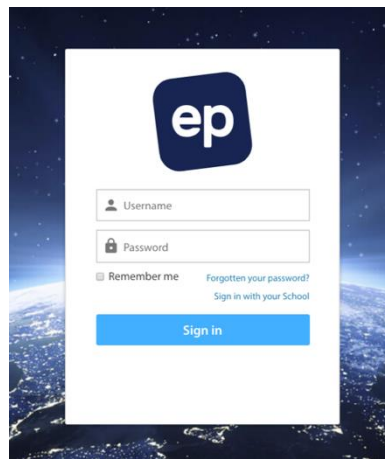

The teacher may choose to collect the lesson before the due date. If the work is not sufficient, your teacher will release the lesson back to you again with a revised due date and feedback.

# Education Perfect Student Guide

## Login

- Go to <https://www.educationperfect.com/app/>.
- If you are logging in on an iPad or iPhone, download the Apple version of the app, available for free from the App Store.
- If you are logging in on an Android phone or tablet, download the Android version of the app, available for free from Google Play.

- Your username and password are as follows:

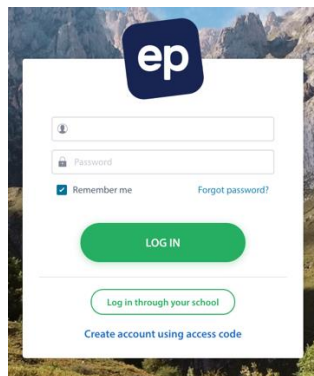

### Username

- Capital **ETC** **First** name **Last** name
- **ETCFirstLast** – for example, ETCJoeSmith

### Password

- ETASC123

- If you have forgotten your Education Perfect login and password, contact ETASC’s reception on 4323 1233. Kallie and Brittney will be able to provide you with your login details.
- If you cannot contact the school, go to <https://www.educationperfect.com/app/#/login> and click ‘forgot password’.

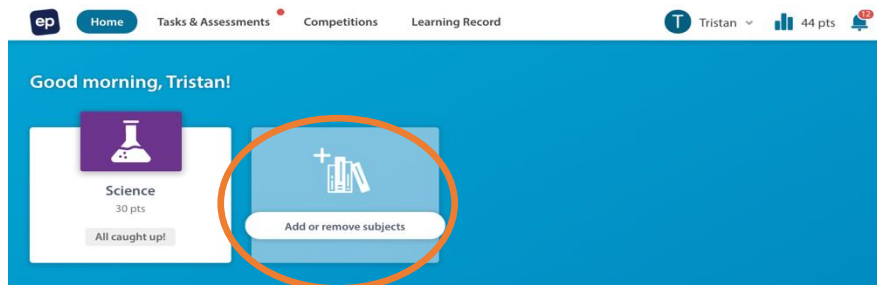

- If this doesn’t work, contact your teacher via email. **Note: if you change your password you must let the school know so we have a record for future reference.**

### Using Education Perfect

1. You will land on your Home Page. Your subjects will appear in your Student Zone.

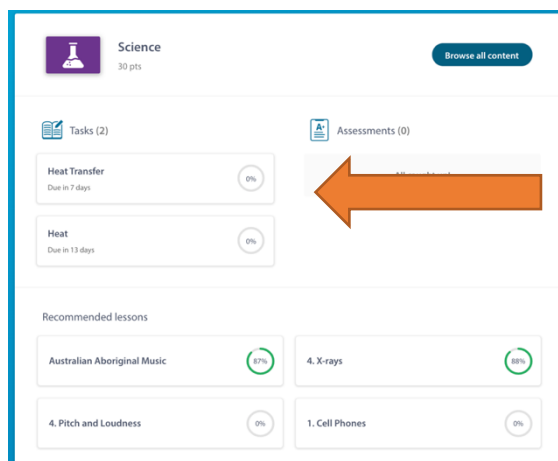

2. In your Student Zone you will see the subjects you have pinned.

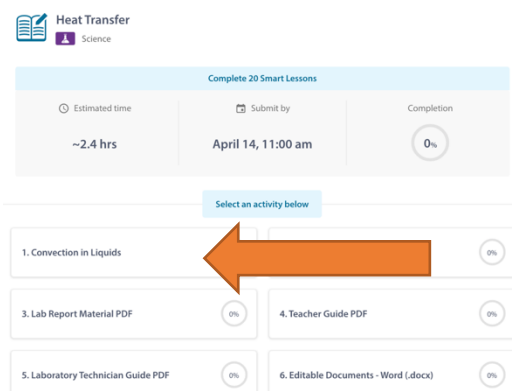

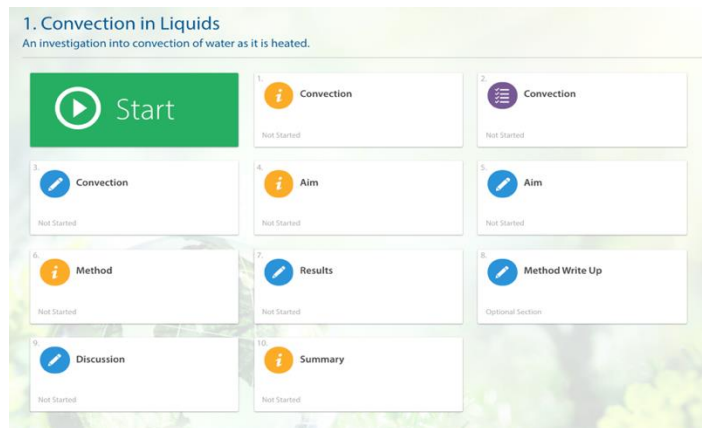

3. To add your subjects, click 'Add or remove subjects'. Select the subjects you want to add and click 'Done selecting subjects'. *Note: removing a subject from your pins does NOT remove you from the subject. It is not an excuse for not submitting assigned work.*

4. When you click on one of your subjects you will be able to see any task or assessments that have been released to you.

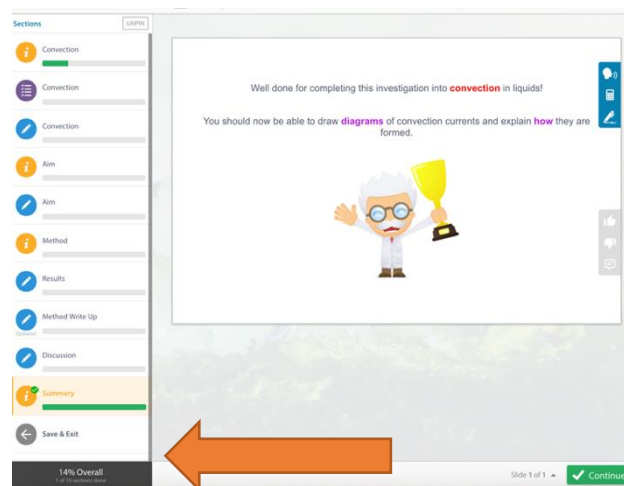

5. Click on the name of the task and you will be able to complete the activities.

6. As you move through the task you can see a summary of your progress. When you complete the task click 'Save & Exit'.

7. To help you improve, you will receive feedback after you have submitted each task. You will receive a notification that will take you to that feedback.

Science

37%

All caught up!

8. You can also view the feedback by viewing the lesson in your Student Zone.

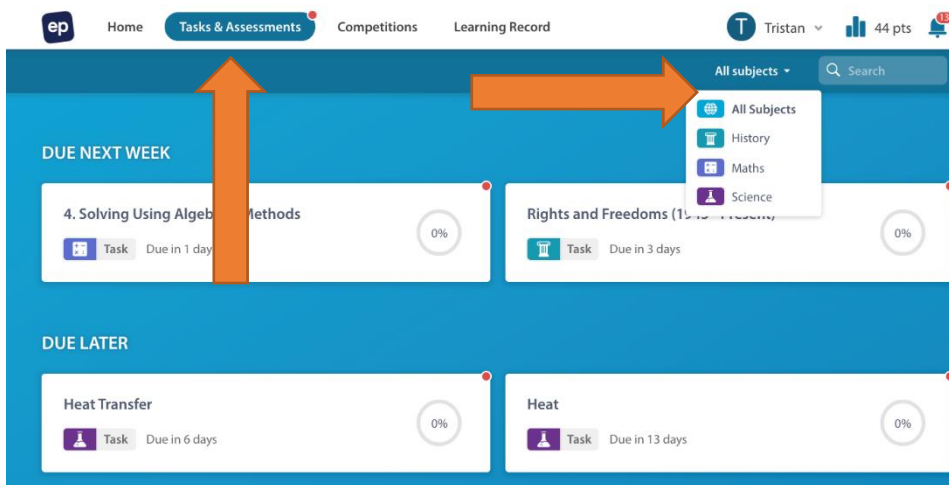

The screenshot shows a student interface with a sidebar on the left containing a 'Sections' list: 'Heat Transfer in the Atmosphere and the Oceans', 'Remembering and Understanding: Heat Transfer ...', 'Understanding: Heat Transfer in the...', and 'Summary'. The main content area features an image of Earth from space, a question prompt: 'Describe what happens to radiation from the Sun once it reaches Earth.', an 'Example Model Answer' paragraph, and a 'Keywords' list with 'absorbed' and 'atmosphere'. A 'Teacher feedback' pop-up window is overlaid on the answer, showing a message from E. Cosentino dated 12:50 PM, 7 Apr, with the text: 'Good start. Extend on your response by providing an example of what surfaces absorb radiation. Extend by describing what happens to the radiation if it is not absorbed.' The student's answer, 'by the atmosphere and the surface.', is visible below the feedback. At the bottom, there is a '100% Overall' status bar, a 'Question 1 of 5' indicator, and 'Redo Question' and 'Next Question' buttons.

## Tasks and Assessments

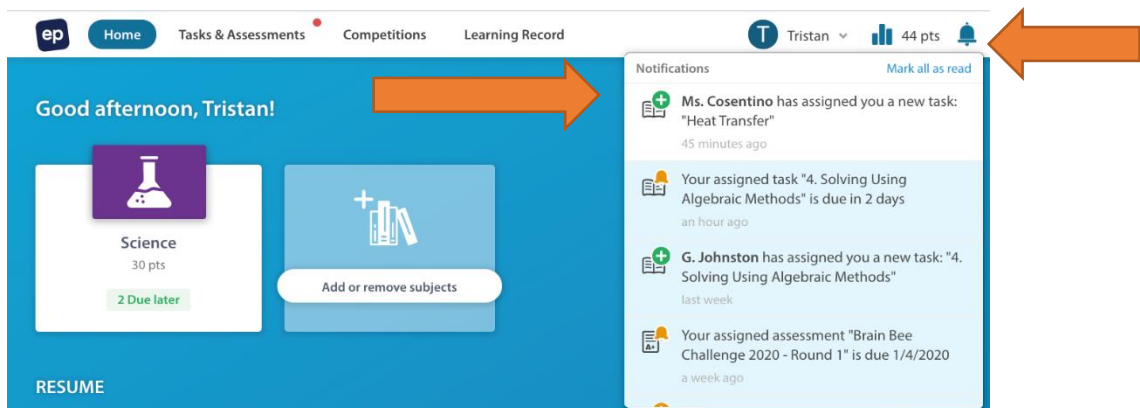

1. You can access all of your tasks and assessments through your Student Zone. Click on the tab 'Tasks and Assessments'.

The screenshot shows a student dashboard with a top navigation bar containing 'ep', 'Home', and 'Tasks & Assessments' (the latter is highlighted with an orange arrow). The dashboard displays a greeting 'Good morning, Tristan!' and a 'Science' subject card with '30 pts' and 'All caught up!'. There is also an 'Add or remove subjects' button. The top right corner shows the user's name 'Tristan', a score of '44 pts', and a notification bell icon.

2. If you would like to find a specific subject tasks and assessments, you can filter by subject.

3. When your teacher assigns you a new task or assignment you will receive a notification in Education Perfect and via email.

# ClickView Student Guide

## What is ClickView?

ClickView is an online provider of relevant, educational video content. Your teachers will provide you with a link to a video in Google Classroom, or you may find a video embedded into a lesson on Stile.

## How do students access ClickView?

### Login

- If you are logging in on a computer, go to <https://online.clickview.com.au/SignIn>.

- Use your school Gmail and password to login.
- If you have forgotten your email and password, contact ETASC's reception on 4323 1233. Kallie and Brittney will be able to provide you with your login details.
- If you cannot contact the school, go to <https://www.prodigygame.com/> and click 'forgot email/password'.

- If this doesn't work, contact your teacher via email. **Note: if you change your password you must let the school know so we have a record for future reference.**

### **Using Prodigy**

1. You will be prompted to answer questions to progress through the levels.

# Duolingo Student Guide

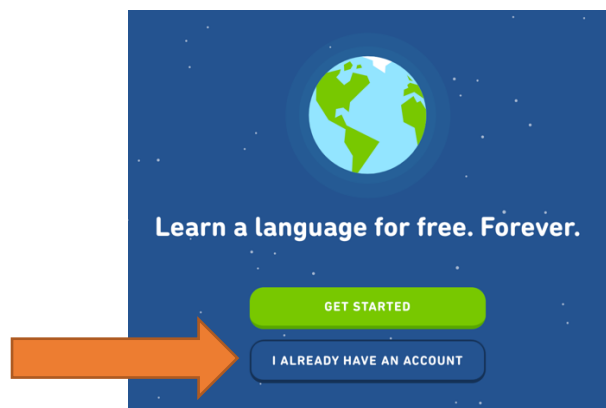

## What is Duolingo?

Duolingo is a game-based, language learning platform.

## How do students access Duolingo?

### Login

- If you are logging in on a computer, go to <https://www.duolingo.com/>.

- If you are logging in on an iPad or iPhone, download the Apple version of the app, available for free from the App Store.
- If you are logging in on an Android phone or tablet, download the Android version of the app, available for free from Google Play.

- Use your school username and password to login.

- If you have forgotten your username and password, contact ETASC's reception on 4323 1233. Kallie and Brittney will be able to provide you with your login details.
- If you cannot contact the school, go to <https://www.duolingo.com/> and click 'forgot'.

G GOOGLE

- If this doesn't work, contact your teacher via email. **Note: if you change your password you must let the school know so we have a record for future reference.**

## Using Duolingo

1. Login and you will land on your Home Page.

**Choose your path!**  
Beginners start at Basics 1.  
Advanced learners take a short test.

Basics 1 OR Placement test

**Unlock Leaderboards!**  
Complete 10 more lessons to start competing

2. If you are a beginner you will start at Basics, Lesson 1, Level 0.

- The activities that are in colour are the ones you can access. All other activities will be grey, meaning you can't access them, YET.

3. Click 'Basics 1' and complete the activity. Follow the directions.

- There will be opportunities to speak, write, listen and match pairs.

4. Continue through the lessons until you have reached the next level. Here you will learn new words and phrases.

- The more lessons you complete, the more categories will become available to you and appear in colour.
